CellPhone Direct

You've been asking for it. Now it's here!

CellPhone Direct gives you the ability to make International calls directly from your cell phone at rates that don't break the bank.

Ideal for calling from locations where there is no landline, like in the car (especially when you're stuck in traffic) or on the golf course.

Just prepay your TelecommsPlus calling account, get the instructions and get started.

Besides your cell phone, no other equipment is necessary.

Use *CellPhone Direct* to call anyone anywhere overseas, including another mobile; any time, day or night, at the same low rates.

Come in for a free, no-obligation demonstration.
